### COVERING ALL THE BASES IN COLORADO

## ABOUT: PREP BASEBALL REPORT

Since its inception in 2005, the Prep Baseball Report has evolved into one of the country's biggest and most respected independent scouting services, with a singular focus of providing comprehensive coverage in every state we are in. The mission of the Prep Baseball Report is to promote high school baseball and, ultimately, help prep athletes achieve their dreams of playing baseball at the next level.

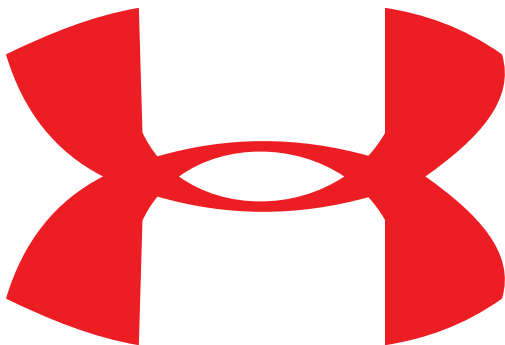

The Prep Baseball Report is the No. 1 resource for high school baseball in each state we cover through our variety of events, boots-on-the-ground scouting staff, daily coverage, and multimedia platforms. Our multimedia platforms and events work in tandem, ultimately creating the most powerful source of high school baseball promotion in each state. While other organizations take a national approach, our goal is to become the authoritative voice on the ground level of each state.

Our flagship state, Prep Baseball Report Illinois, was launched in 2005 as a print magazine. Over the last 10 years, the Prep Baseball Report has brought the same comprehensive coverage model into 27 states, the District of Columbia, Ontario, and counting. Now, more than 500 colleges and pro scouts subscribe to the Prep Baseball Report services.

We take great pride in providing the most thorough and comprehensive high school baseball coverage in each state and have now added tournaments to events that we host for both youth and high school aged players.
