

In the last 5 years, some high school Pitchers were being over-worked across North Carolina

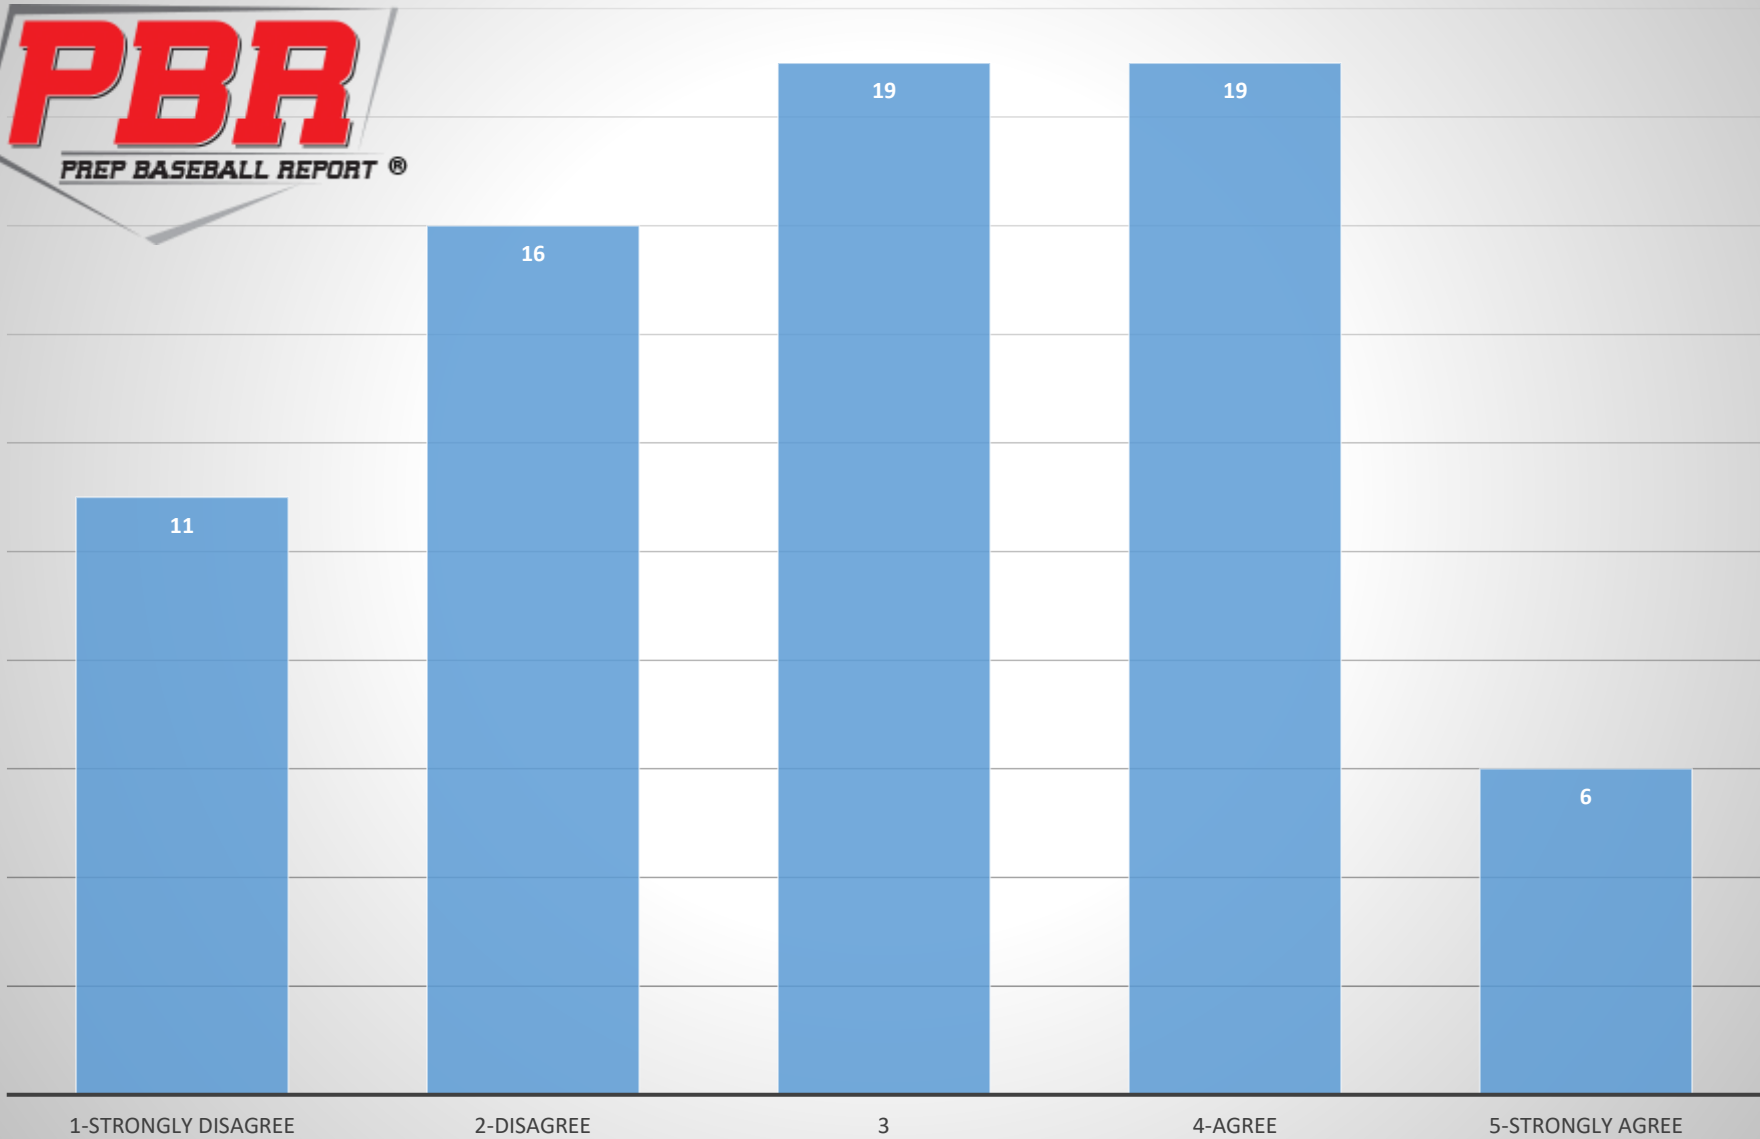

In the last 5 years, some high school Pitchers were being over-worked in the conference I coach in.

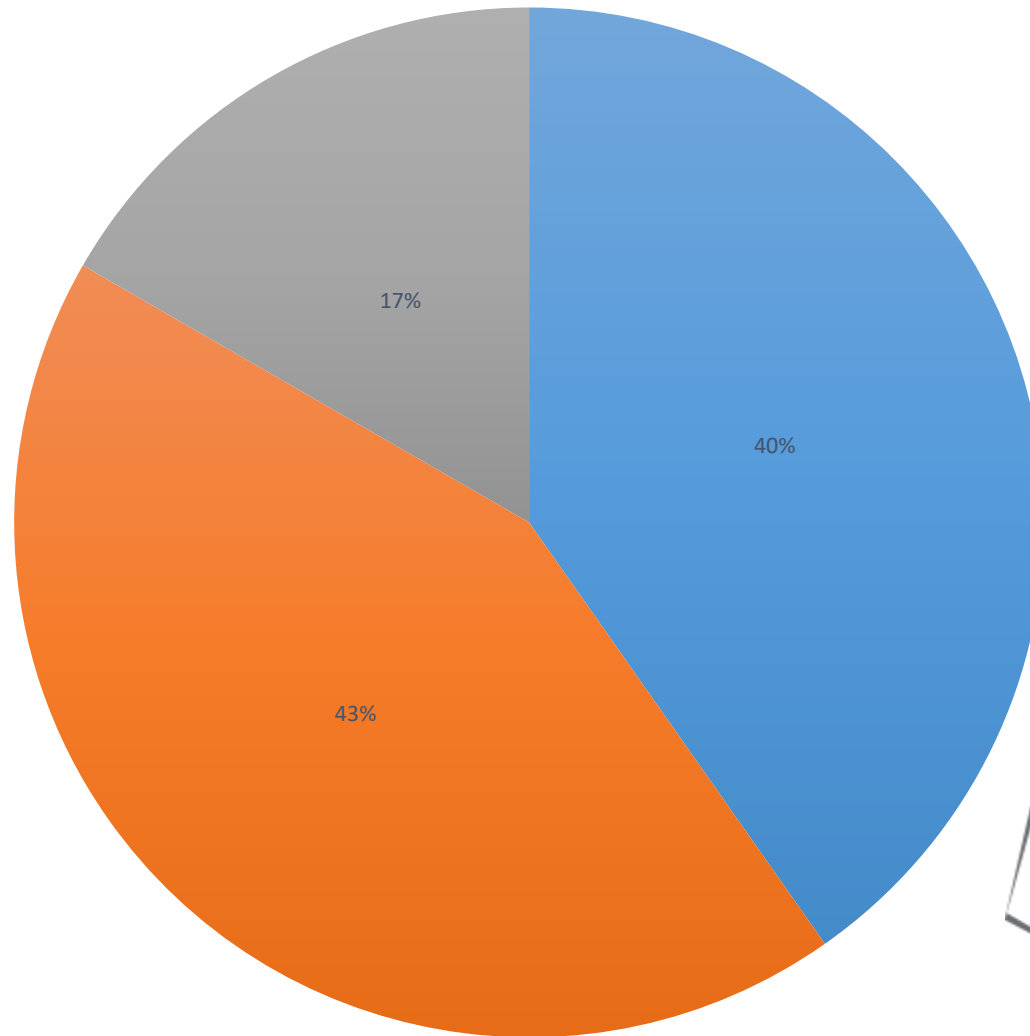

The new Pitch Smart legislation that the NCHSAA is adopting is good for high school baseball in North Carolina

## The new Pitch Smart legislation that the NCHSAA is adopting is fair to all high school baseball teams in North Carolina

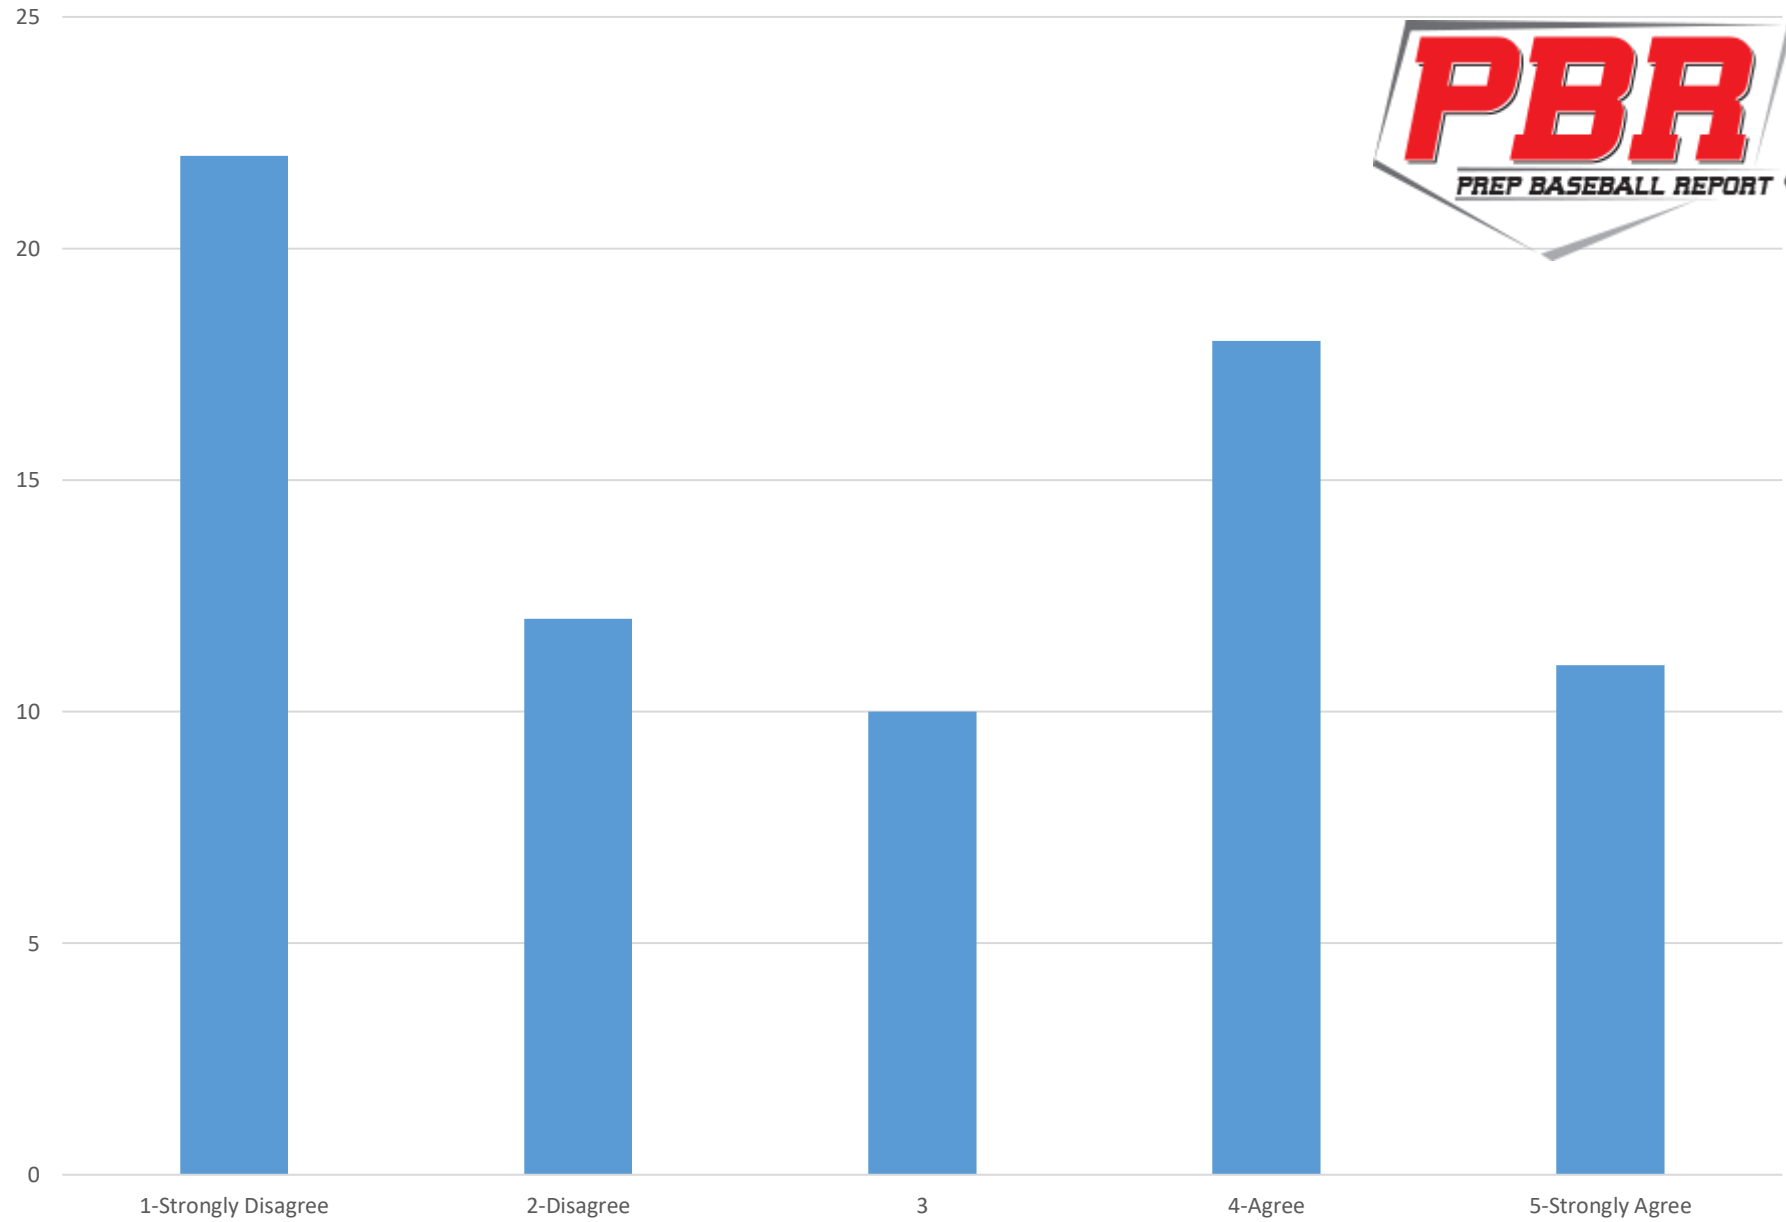

**With the introduction of the Pitch Smart rules in 2017, the competitive balance of high school baseball in North Carolina will:**

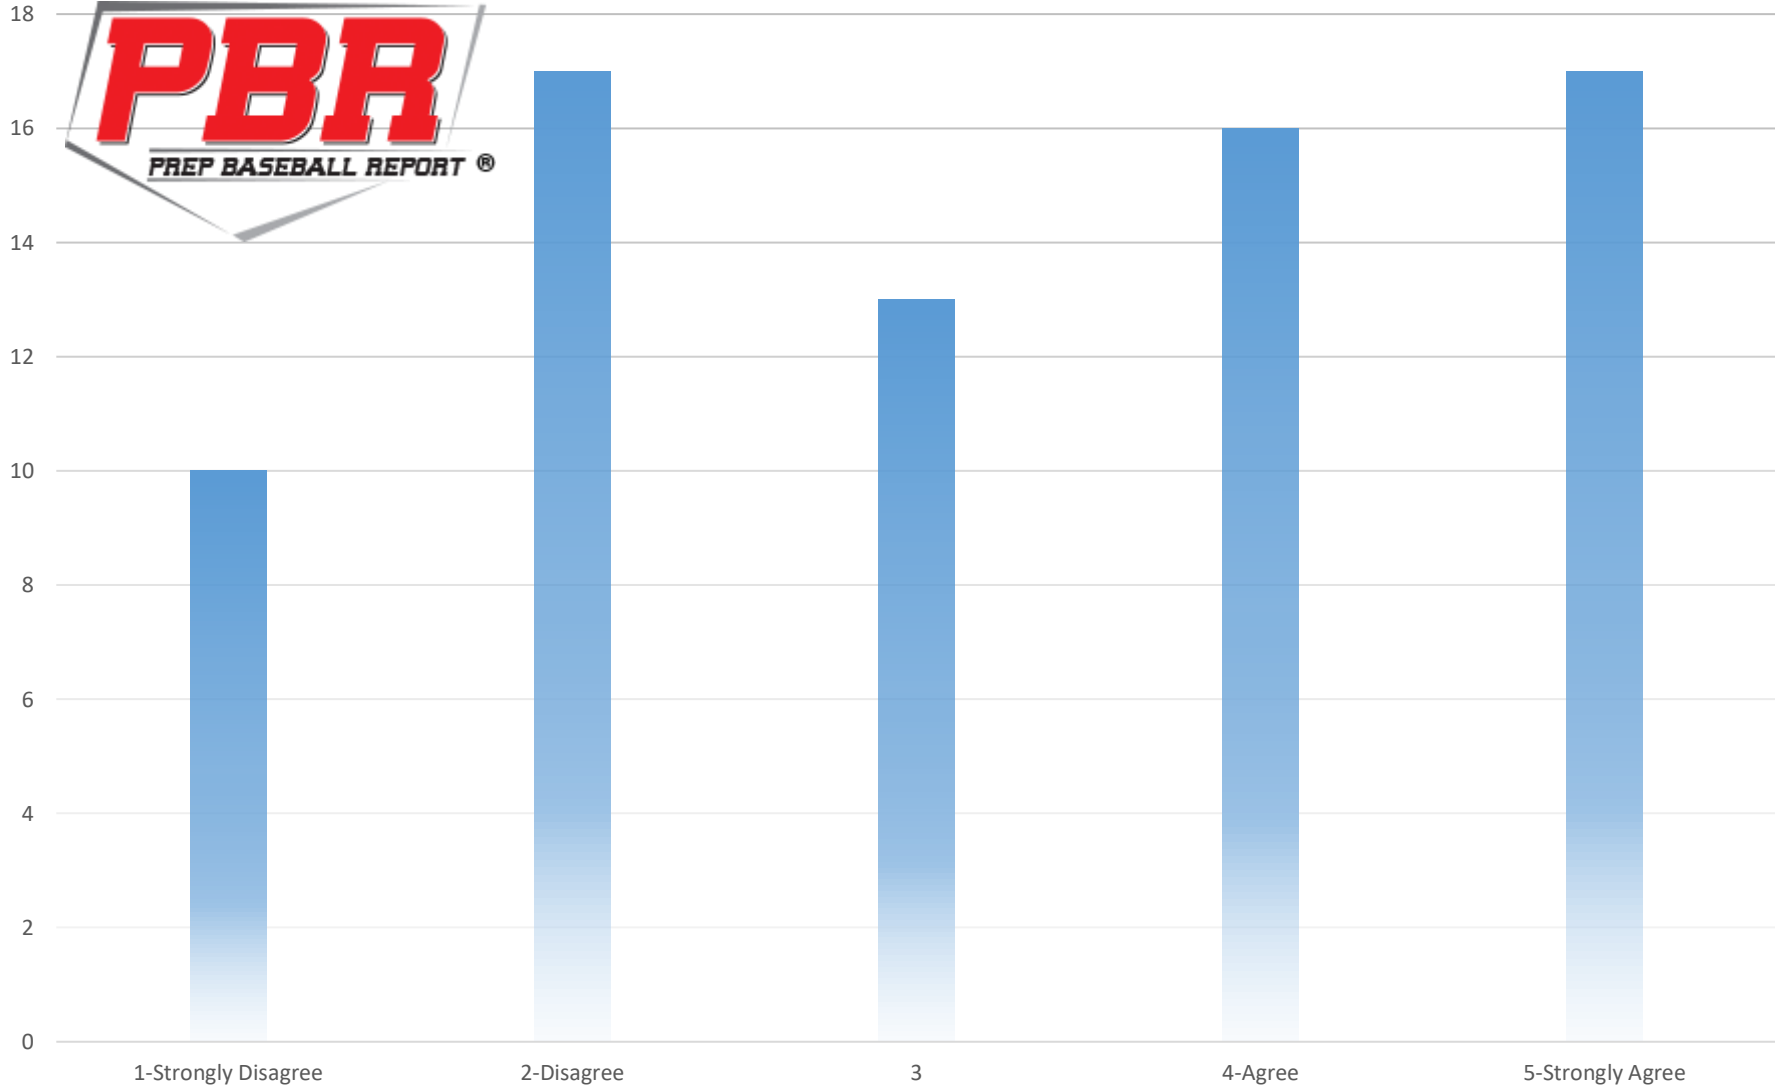

■ Become weaker - less schools will be able to compete  
■ Become stronger - more schools will be able to compete

■ Remain the same as in past years - rule has not effect on competitive balance

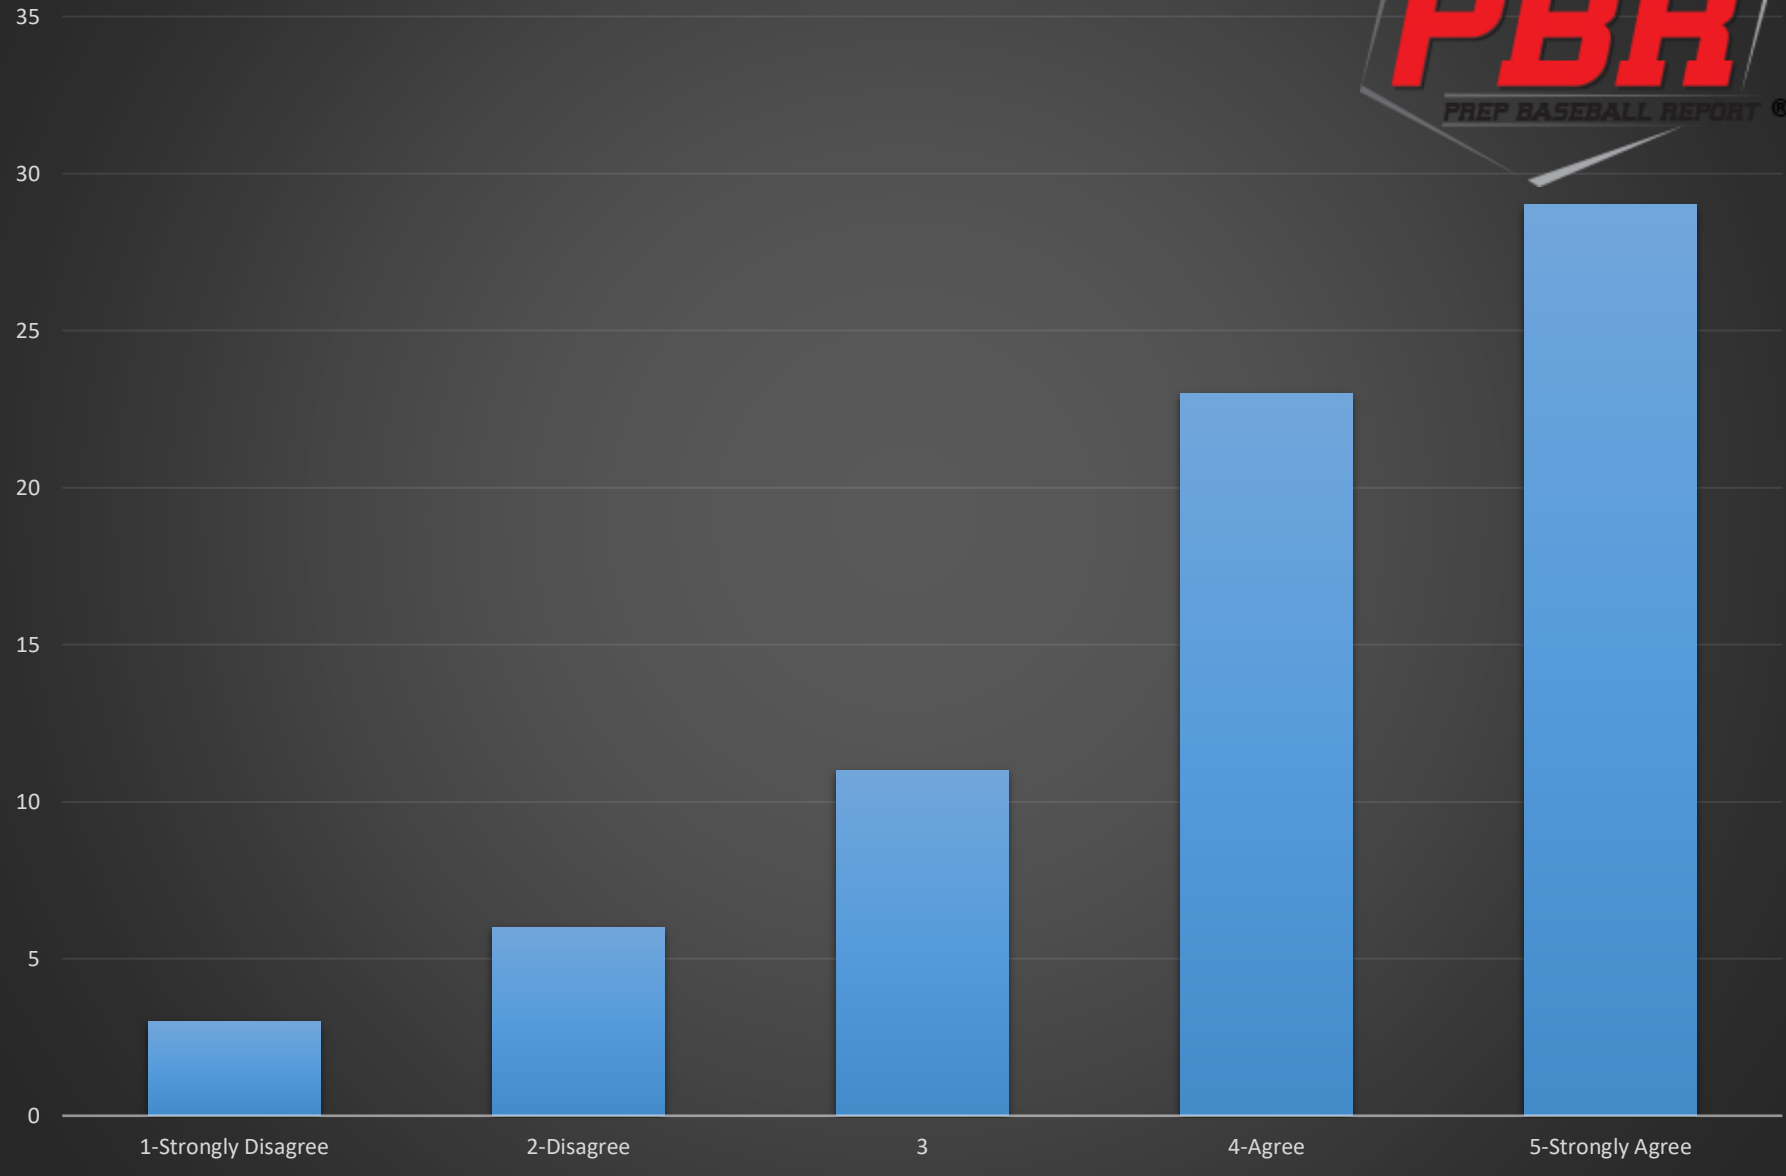

The new Pitch Smart legislation will change the way I develop my pitching staff for 2017

**MY HIGH SCHOOL TEAM HAS ENOUGH PITCHING AT THE VARSITY  
AND JUNIOR VARSITY LEVEL TO ADHERE TO THE PITCH SMART  
LEGISLATION & MANAGE THE GAMES**

# My pitchers should follow the Pitch Smart legislation for the entire calendar year

WILL THE PITCH SMART LEGISLATION, FOR HIGH SCHOOL BASEBALL, HAVE AN EFFECT ON THE HEALTH OF PITCHERS IN NORTH CAROLINA

■ yes ■ no
