Canfield	Gary	Knittle	17-6-1	All American Conference, 10-0	4/4	This upcoming season we will rely on our pitching. We return one of the top LH pitchers in NorthEast Ohio in Senior Brent Herrmann. (7-0 53 IP 1.86 ERA) He had some big wins for us including a CG against Walsh Jesuit. We also return LH pitcher Senior Brayden Beck (3-0 0.70 ERA). Brayden had to be shut down early in the season from throwing due to arm problems, but we hope to have him back at full strength this season. Sophomore Nate Shaw (3-1 26.1 IP) has tremendous upside. He already has an arsenal of a 86 MPH fastball and two secondary pitches to go with it. Senior LH pitcher and outfielder, Seth Velker, makes up one of the best outfields around along with Herrmann and Beck. Returning starter Junior Dom Magliocca will need to contribute both defensively and offensively for us to have success. While we lost a lot of senior talent from last year there is a strong group of talent in the freshman (A.J. Havrilla/Ben Slanker)and sophomore classes (Ryan Petro/Jake Grdic) that will need to step up. I look for us to contend with Boardman, Howland and Austintown Fitch within the conference. A tournament run will be predicated on how far our pitching staff can take us.	<ol style="list-style-type: none"> Starting Pitching Outfield Defense Team Speed 	<ol style="list-style-type: none"> Brent Herrmann, LHP/OF/1B, SR, 6'2", 185, L/L, 2-yr starter, .278 AVG, 15 SB, 7-0, 1.86 ERA, 53 IP Brayden Beck, LHP/OF, SR, 6'3", 170, L/L, 3-yr starter, .316 AVG, 2 HR, 2 3B, 14 RBI, 23 R, 3-0, 0.70 ERA, 20 IP Seth Velker, LHP/OF, SR, 5'9", 160, L/L, 2-yr starter, 280 AVG. Chardon	Brian	Long	18-11	Western Reserve Conference - 8-6	5 / 4	We are returning our entire pitching staff from 2019 which posted a 2.60 ERA. We should be a league contender in the WRC which we are the only DI team in the conference. Every team in the WRC is DI. Our district is going to be tough with Gilmour and NDCL in it. Gilmour was State Runner-Up in 2019 and returning arguably the best player in the state in Demell. We won the District in 2018 and was Runner-Up in 2019.	Pitching and defense will be our strength this year. We have 2 seniors RHP Danny Thomas & Mitchell Cormea that had tremendous 2019 seasons. Our junior class of pitchers are all LHP Elliot Tyminski, Blake Barker, and Brandon Schreffler. The 3 junior LHP have huge potential to dominate on the mound. Our outfield will be lead by Joey Trivisonno (Marietta commit) and Cade McDevitt. Offense will be the biggest question in 2020. If we can hit, we can play with any team in the State.	1. CHCA	Tony	Schulz	21-7/ 119-54	Miami Valley Conference 15-1, T-1st	5/4	After losing 12 Seniors to graduation and 1 Junior moving out, we are very young, but extremely talented. We're excited to develop these youngsters in Spirit, Mind, and Body. And at CHCA Baseball, there's really no such thing as a rebuilding year, so we still have our season goals set high.	1. Cuyahoga Valley Christian Academy	Jason	Herbst	19-10	9-3	5/3	I believe we will once again be in the mix for a conference title. We have won the conference the past 2 seasons and are looking to threepeat. We play in a very tough district and believe we could also have a chance to battle for a district title this season with the guys we have returning. If our pitchers can command the ball we should have a very successful season. I believe this will be one of the better offensive teams we have had at CVCA.	1. Offense 2. Top of the lineup 3. St. Vincent-St. Mary	Anthony	Boarman	10/15	Independent	8/4	We have a lot of optimism going into the 2020 season with a large crop of experience coming back in the field and two three-year starters returning on the mound. We lacked depth last year in many areas, but we feel that it will be our strength in 2020. Our 2019 schedule challenged us with seven opponents playing in the Regionals and State. All but one of those games were decided by a run and we defeated the Division I State Champions St. Ignellius. We believe we can play with and compete with any team in Ohio.	1. Experience 2.
